

March 2019

Dear Parent/Carer

I am writing to inform you that we have organised a trip for our A level Year 1 Maths students to **The University of Leeds** on **Wednesday 3 April 2019**. Your son/daughter will be taking part in the trip.

This is an opportunity for your son/daughter to take part in hands-on Maths workshops delivered by University lecturers and find out more about Higher Education. The workshops will be accompanied by a session on studying Maths at University and a chance to explore the University campus.

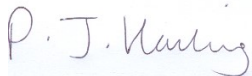

If your son/daughter has a medical condition, please ensure they have enough medication for the day. First aiders will be available throughout the day and staff intend to stay within the grounds of the University for the entirety of the visit.

This is a free trip; however, students must provide their own food. We recommend bringing a packed lunch.

Timings for the day:

- **Meet outside the College at 08:45am on Moorgate Road for a 09:00am departure.**
- **Arrive back at the College at approximately 16:45pm.**

Yours sincerely,

Philip Hacking
Head of Mathematics
